[www.ghs-msds.cn](http://www.ghs-msds.cn)

Version: 1.0

Issue date: 20240524

## Section 1. Product and Company Identification

**Product name** : 4-aminodiphenylamine;p-aminodiphenylamine

### Manufacturer/Supplier

**Company** : Cairui Chemical technology (Shanghai) Co.,LTD  
**Address** : Room J4343, Building 4, Area B, No. 925, Yecheng Road, Jiading District, Shanghai

**Telephone** : 021-69110391  
**E-mail** : service@51ghs.com

**Emergency telephone number of the company** : 021-69110391

### Recommended use of the chemical and restrictions on use

**Recommended Uses** : /

## Section 2. Hazards Identification

### GHS classification of the product

|                                                  |           |
|--------------------------------------------------|-----------|
| Serious eye damage/irritation                    | Category2 |
| Sensitization - Skin                             | Category1 |
| Hazardous to the aquatic environment (Acute)     | Category1 |
| Hazardous to the aquatic environment (Long-term) | Category1 |

### Label elements

#### Pictogram

**Signal word** : Warning

|---------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Hazard statement</b>         | May cause an allergic skin reaction<br>Very toxic to aquatic life<br>Very toxic to aquatic life with long lasting effects                                                                                                                      |
| <b>Precautionary statements</b> |                                                                                                                                                                                                                                                |
| <b>Prevention</b>               | Do not breathe dust/fume/gas/mist/ vapours/spray.<br>Contaminated work clothing should not be allowed out of the workplace.<br>Wear protective gloves.<br>Avoid release to the environment.                                                    |
| <b>Response</b>                 | IF ON SKIN: Wash with plenty of water.<br>If skin irritation or rash occurs: Get medical advice/attention.<br>Specific treatment (see section 4 on this SDS).<br>Take off contaminated clothing and wash it before reuse.<br>Collect spillage. |
| <b>Disposal</b>                 | Dispose of contents/container in accordance with local/regional/national/international regulations.                                                                                                                                            |

## Section 3. Composition / Information on Ingredients

Chemical nature : substance

| Components | CAS No. | Concentration |
|------------|---------|---------------|
|------------|---------|---------------|

|                                           |          |       |
|-------------------------------------------|----------|-------|
| 4-aminodiphenylamine;p-aminodiphenylamine | 101-54-2 | > 99% |
|-------------------------------------------|----------|-------|

Parts 1-3 listed in this (M)SDS are compiled based on the hazardous chemical information table of the China Hazardous Chemicals Catalogue (2015 Edition). It is only applicable to mainland China. As national regulations and standards will continue to be updated, parts 4-16 need to be compiled separately by us.

We provide the following services:

- 1. (M)SDS authoring service that complies with EU CLP, US OSHA, Japan, South Korea and other national standards;
- 2. Audit the compliance of suppliers' (M)SDS for enterprises and help enterprise suppliers write compliant (M)SDS;
