

# SAFETY DATA SHEET

[www.ghs-msds.cn](http://www.ghs-msds.cn)

Version: 1.0

Issue date: 20240524

## Section 1. Product and Company Identification

**Product name** : 2,3-xylylidine;1-amino-2,3-dimethylbenzene

### Manufacturer/Supplier

**Company** : Cairui Chemical technology (Shanghai) Co.,LTD  
**Address** : Room J4343, Building 4, Area B, No. 925, Yecheng Road, Jiading District, Shanghai

**Telephone** : 021-69110391  
**E-mail** : service@51ghs.com

**Emergency telephone number of the company** : 021-69110391

### Recommended use of the chemical and restrictions on use

**Recommended Uses** : /

## Section 2. Hazards Identification

### GHS classification of the product

**Acute Toxicity--Dermal** : Category3  
**Specific target organ toxicity - Repeated exposure** : Category2

**Hazardous to the aquatic environment (Acute)** : Category2

**Hazardous to the aquatic environment (Long-term)** : Category2

### Label elements

#### Pictogram

**Signal word** : Danger

**Hazard statement** : Toxic in contact with skin  
May cause damage to organs through prolonged or repeated exposure  
Toxic to aquatic life  
Toxic to aquatic life with long lasting effects

## Precautionary statements

|                             |                                                                                                                                                                                                                                                                                                       |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Prevention</b>           | Wear protective gloves/protective clothing.<br>Do not breathe dust/fume/gas/mist/ vapours/spray.<br>Avoid release to the environment.                                                                                                                                                                 |
| <b>Response</b>             | IF ON SKIN: Wash with plenty of water.<br>Call a POISON CENTER/doctor if you feel unwell.<br>Specific treatment (see section 4 on this SDS).<br>Take off immediately all contaminated clothing and wash it before reuse.<br><br>Get medical advice/attention if you feel unwell.<br>Collect spillage. |
| <b>Storage<br/>Disposal</b> | Store locked up.<br>Dispose of contents/container in accordance with<br>local/regional/national/international regulations.                                                                                                                                                                            |

## Section 3. Composition / Information on Ingredients

|                                            |         |               |
|--------------------------------------------|---------|---------------|
| Chemical nature                            | :       | substance     |
| Components                                 | CAS No. | Concentration |
| 2,3-xylylidine;1-amino-2,3-dimethylbenzene | 87-59-2 | > 99%         |

Parts 1-3 listed in this (M)SDS are compiled based on the hazardous chemical information table of the China Hazardous Chemicals Catalogue (2015 Edition). It is only applicable to mainland China. As national regulations and standards will continue to be updated, parts 4-16 need to be compiled separately by us.

We provide the following services:

- 1. (M)SDS authoring service that complies with EU CLP, US OSHA, Japan, South Korea and other national standards;
- 2. Audit the compliance of suppliers' (M)SDS for enterprises and help enterprise suppliers write compliant (M)SDS;
- 3. (M)SDS translation service, supporting translation between 36 languages;
- 4. GHS label production (36 languages).
