[www.ghs-msds.cn](http://www.ghs-msds.cn)

Version: 1.0

Issue date: 20240524

## Section 1. Product and Company Identification

**Product name** : xylidine isomers mixture

### Manufacturer/Supplier

**Company** : Cairui Chemical technology (Shanghai) Co.,LTD  
**Address** : Room J4343, Building 4, Area B, No. 925, Yecheng Road, Jiading District, Shanghai

**Telephone** : 021-69110391  
**E-mail** : service@51ghs.com

**Emergency telephone number of the company** : 021-69110391

### Recommended use of the chemical and restrictions on use

**Recommended Uses** : /

## Section 2. Hazards Identification

### GHS classification of the product

**Acute Toxicity---** Category2

**Inhalation**

**Serious eye** Category2

**damage/irritation**

**Specific target organ** Category2

**toxicity (single exposure)**

**Specific target organ** Category2

**toxicity - Repeated**

**exposure**

**Hazardous to the aquatic** Category2

**environment (Acute)**

**Hazardous to the aquatic** Category2

**environment (Long-**

**term)**

### Label elements

#### Pictogram

**Signal word** Danger

|---------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Hazard statement</b>         | Fatal if inhaled<br>May cause damage to organs<br>May cause damage to organs through prolonged or repeated exposure<br>Toxic to aquatic life<br>Toxic to aquatic life with long lasting effects                                                                                                                      |
| <b>Precautionary statements</b> |                                                                                                                                                                                                                                                                                                                      |
| <b>Prevention</b>               | Do not breathe dust/fume/gas/mist/ vapours/spray.<br>Use only outdoors or in a well-ventilated area.<br>[In case of inadequate ventilation] wear respiratory protection.<br>Wash exposed skin thoroughly after handling.<br>Do not eat, drink or smoke when using this product.<br>Avoid release to the environment. |
| <b>Response</b>                 | IF INHALED: Remove person to fresh air and keep comfortable for breathing.<br>Immediately call a POISON CENTER/doctor.<br>Specific treatment is urgent (see section 4 on this SDS).<br>IF exposed or concerned:Call a POISON CENTER/doctor.<br>Get medical advice/attention if you feel unwell.<br>Collect spillage. |
| <b>Storage<br/>Disposal</b>     | Store in a well-ventilated place.Store locked up.<br>Dispose of contents/container in accordance with local/regional/national/international regulations.                                                                                                                                                             |

## Section 3. Composition / Information on Ingredients

|                            |           |               |
|----------------------------|-----------|---------------|
| Chemical nature            | :         | substance     |
| Components                 | CAS No.   | Concentration |
| xylylidine isomers mixture | 1300-73-8 | > 99%         |

Parts 1-3 listed in this (M)SDS are compiled based on the hazardous chemical information table of the China Hazardous Chemicals Catalogue (2015 Edition). It is only applicable to mainland China. As national regulations and standards will continue to be updated, parts 4-16 need to be compiled separately by us.

We provide the following services:

- 1. (M)SDS authoring service that complies with EU CLP, US OSHA, Japan, South Korea and other national standards;
- 2. Audit the compliance of suppliers' (M)SDS for enterprises and help enterprise suppliers write compliant (M)SDS;
- 3. (M)SDS translation service, supporting translation between 36 languages;
- 4. GHS label production (36 languages).
