

# SAFETY DATA SHEET

[www.ghs-msds.cn](http://www.ghs-msds.cn)

Version: 1.0

Issue date: 20260122

## Section 1. Product and Company Identification

**Product name** : 2,6-dichloroaniline

### Manufacturer/Supplier

**Company** : Cairui Chemical technology (Shanghai) Co.,LTD  
**Address** : Room J4343, Building 4, Area B, No. 925, Yecheng Road, Jiading District, Shanghai

**Telephone** : 021-69110391

**E-mail** : service@51ghs.com

**Emergency telephone number of the company** : 021-69110391

### Recommended use of the chemical and restrictions on use

**Recommended Uses** : /

## Section 2. Hazards Identification

### GHS classification of the product

Acute Toxicity-Oral Category3

Acute Toxicity--Dermal Category3

Acute Toxicity--- Category3

Inhalation

Hazardous to the aquatic environment (Acute) Category1

Hazardous to the aquatic environment (Long-term) Category1

### Label elements

#### Pictogram

**Signal word** Danger

**Hazard statement**  
Toxic if swallowed  
Toxic in contact with skin  
Toxic if inhaled  
Very toxic to aquatic life  
Very toxic to aquatic life with long lasting effects

### Precautionary statements

|                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
|-------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Prevention</b> | <p>Wash exposed skin thoroughly after handling.</p> <p>Do not eat, drink or smoke when using this product.</p> <p>Wear protective gloves/protective clothing.</p> <p>Do not breathe dust/fume/gas/mist/ vapours/spray.</p> <p>Use only outdoors or in a well-ventilated area.</p>                                                                                                                                                                                                            |
| <b>Response</b>   | <p>Avoid release to the environment.</p> <p>IF SWALLOWED: Immediately call a POISON CENTER/doctor.</p> <p>Specific treatment (see section 4 on this SDS).</p> <p>Rinse mouth.</p> <p>IF ON SKIN: Wash with plenty of water.</p> <p>Call a POISON CENTER/doctor if you feel unwell.</p> <p>Take off immediately all contaminated clothing and wash it before reuse.</p> <p>IF INHALED: Remove person to fresh air and keep comfortable for breathing.</p> <p>Call a POISON CENTER/doctor.</p> |
| <b>Storage</b>    | <p>Collect spillage.</p> <p>Store locked up.</p> <p>Store in a well-ventilated place.</p>                                                                                                                                                                                                                                                                                                                                                                                                    |
| <b>Disposal</b>   | <p>Dispose of contents/container in accordance with local/regional/national/international regulations.</p>                                                                                                                                                                                                                                                                                                                                                                                   |

### Section 3. Composition / Information on Ingredients

Chemical nature : substance

| Components | CAS No. | Concentration |
|------------|---------|---------------|
|------------|---------|---------------|

|                     |          |       |
|---------------------|----------|-------|
| 2,6-dichloroaniline | 608-31-1 | > 99% |
|---------------------|----------|-------|

Parts 1-3 listed in this (M)SDS are compiled based on the hazardous chemical information table of the China Hazardous Chemicals Catalogue (2015 Edition). It is only applicable to mainland China. As national regulations and standards will continue to be updated, parts 4-16 need to be compiled separately by us.

We provide the following services:

- 1. (M)SDS authoring service that complies with EU CLP, US OSHA, Japan, South Korea and other national standards;*
- 2. Audit the compliance of suppliers' (M)SDS for enterprises and help enterprise suppliers write compliant (M)SDS;*
- 3. (M)SDS translation service, supporting translation between 36 languages;*
- 4. GHS label production (36 languages).*
